

Elam Ending Rules

1st Dead Ball under the 4-minute mark in the
4th Quarter, teams are accessed a timeout.

Target scored is calculated by Referees & Score bench,
this is the leading teams score +8 points.

Both teams are informed of the target score at the end of
the timeout.

Play resumes without game clock with the winner being
the team that reaches the target score first.

*Points & fouls are still recorded as normal in basketball
connect with the game clock paused.

*Team Fouls/ Timeouts remain as normal from the
4 minute mark stoppage.
